Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Tuesday 16 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain for a time.

Today:
A dry start but cloudy, then patchy rain developing, perhaps the odd brief heavier burst in the afternoon. Brightening up later with some sunny intervals. Fresh southwest breeze. Maximum temperature 12 deg C (54 deg F).

Tonight:
A mixture of clear intervals and occasional showers, these more frequent across northern counties, with the south becoming mainly dry later in the night. Minimum temperature 5 deg C (41 deg F).

Wednesday:
Bright morning with sunny intervals and isolated light showers, then becoming cloudy with outbreaks of light rain and drizzle developing during the afternoon. Maximum temperature 12 deg C (54 deg F).

Outlook for Thursday to Saturday:
Damp start on Thursday then brightening up with sunny intervals. Becoming very mild. Friday dry with some sunny spells. Saturday cloudy with rain or showers.
